***IMAGE SOURCE MATERIAL RELEASE
and LIMITED COPYRIGHT WAIVER***

I request that Jeff Knowles of Ardent Images, LLC provide release of the image source material (film negative or transparency, or high resolution digital file) of the image(s) specified below exclusively for the purpose described below. I understand this is not a permanent release of the copyrights covering the image(s); I will return any original negative(s) or source files to Jeff Knowles within the specified time period and will not make any types of copies, digital scans, or other reproductions of Jeff Knowles' copyrighted material beyond what is specified and agreed to here.

I also understand and agree that Jeff Knowles is providing the negative or digital material to me in good condition (unless otherwise specified and agreed to below), and that I am fully responsible for any loss or damage to this source material while in my care. Jeff Knowles or Ardent Images, LLC will not be liable in any way for loss of, or damage to, any digital material or prints while they are released to me.

DIGITAL FILE or NEGATIVE ROLL/FRAME CODE(S) TO BE RELEASED:

Medium/high resolution (approx. 1700x1300 pixels) digital files with minor compression, from usable images in file series AI_SD10_16094.jpg through AI_SD10_16148.jpg

PURPOSE AND DURATION OF RELEASE:

These images may be viewed and printed for personal / family keepsakes and as test images for face/body painting work. These images may not be used for commercial, advertising, contest, or public display purposes. (As agreed upon previously, Ardent Images will likewise use these images only for character development and test purposes and will not be used for any commercial or public display purposes).
